Subject: Request for Corrective Action on Hillside 50 Property

Michael A. and Daniel Carpinito
Carpinito Sumner, LLC
1148 Central Avenue North
Kent, WA 98032

Gentlemen:

As you were notified in a letter on February 26, 2016, there is a large dead tree on the southwest corner of your Hillside 50 Apartments property at 19630 Ash Crest Loop NE, Poulsbo, WA that poses a safety threat to our residents and their property due to the likelihood that it will fall during a wind storm. When this tree falls, it will land on Poulsbo Place II property.

The Poulsbo Place II Home Owners Association requests that the dead tree be removed by professional arborists to ensure the safety of the residents and property.

Vicki Cunning
Board of Directors President
Poulsbo Place II Owners Association

CF: Mayor Becky Erickson, City of Poulsbo
